

Empower Communities to Take Action on Staying Well

Paul teaches that a person's physical body *"is the temple of the holy spirit."* (1 Cor. 6.19)

*Helping People Help Themselves
Through Education and Personal
Empowerment.*

American Health Care Professionals

Our Mission - The CA=RE Model:

AHCP's focus is to partner with **C**hurch communities to take **A**ction by promoting and educating their members about the importance of prevention and wellness. Through our workshops, individuals will learn to be **R**esponsible, and have personal **E**mpowerment to manage their health and wellbeing.

Giving Lessons On Wellness (GLOW):

Health professionals educating congregants about proper care and management of various health conditions, wellness interventions, and the prevention of illness.

Wellness Improvement Network (WIN) Team:

Individuals who help carry out the **CA=RE** Model and provide hands on screening and education to Church Members.

Our Services:

- ▶ Education
- ▶ Health Empowerment
- ▶ Health Counseling
- ▶ Health Screening
 - Blood Pressure
 - Blood Sugar
 - Pulse Oxygen
 - Weight/BMI

**Others available
upon request*
